JOB OBJECTIVE

I am currently in my second year of a computer science Bachelor's Degree of Technology at the IUT in Annecy, France. I specialize in data administration, management and exploitation. I am looking to apply my skills in data manipulation during an internship where I can contribute to innovative projects while continuing to develop my technical expertise in database systems and software development.

WORK EXPERIENCE

Team Project – Web Application

October 2025 – January 2026 | University of Savoy - Annecy, France

Developing a Laravel web app in a team of 4, creating BPMN diagrams, implementing cryptography, designing a database, and building Power BI dashboards.

Town Hall Technical Services Agent – 2 employees

Summer 2023 - 2025 | Town Hall - Leaz, France

Maintaining cleanliness, assisting inhabitants, performing maintenance to ensure proper functioning of municipal facilities.

Web Development Team Project

2023 - 2024 | Lycée Saint Exupéry - Bellegarde, France

Designed a website for the Town Hall of Peron.
